Seas: Slight to moderate 0.5m to 1.5m / 1.5ft to 5ft	Seas: Slight to moderate 0.5m to 1.5m / 1.5ft to 5ft	Seas**:** Slight in open water 0.5m to 1.2m / 1.5ft to 4ft
Marine Advisory/Warning: *None*	Marine Advisory/Warning: *None*	Marine Advisory/Warning: *None*

Weather Discussion:

Weak unstable conditions are maintaining occasional cloudy skies, a few scattered showers and isolated thunderstorms are likely across St. Vincent and the Grenadines (SVG)…*Residents and motorists should remain alert*… Meanwhile, patches of Saharan dust with varying intensity continue to create slight/moderate-haze across our area, reducing visibility and air quality…*Take the necessary precautions.*

Moderate (20 - 25km/h) breeze across our islands vary between east northeasterly and southeasterly in some locations. Wind speeds could decrease by mid-week, becoming light-gentle (5 - 15km/h) with directions varying from easterly to southwesterly… *Be aware!*

Sea conditions are currently slight-moderate 1.0m(3ft) to 1.8m(6ft) in open water. A gradual fall in swell heights can be expected, ranging 0.5m(1.5ft) to 1.2m(4ft) across SVG by Friday.
