PRESS RELEASE

**12th Annual General Meeting of the Caribbean Federation of Police
Welfare Associations (CFPWA)**

April 30, 2024 - Kingstown: The Police Welfare Association of Saint Vincent and the Grenadines is honored to announce the hosting of the 12th Annual Meeting of the Caribbean Federation of Police Welfare Associations (CFPWA) from May 8th to May 10th, 2024. The CFPWA plays a pivotal role in advocating for the welfare and well-being of police officers across the Caribbean and comprises 14 member states and 4 observers, including our local association.

This year's meeting, themed "Unity, Resilience, and Empowerment: Navigating Challenges, Shaping Tomorrow for Law Enforcement Officers Across the Region," aims to enhance the resilience and capacity of law enforcement agencies through cooperative efforts and shared insights. It will provide a vital platform for members from various states to exchange experiences, address common challenges, and discover innovative solutions that improve both welfare and operational effectiveness across regional police forces.

The discussions during the meeting are expected to lead to substantial improvements in the support systems and working conditions for police officers. These enhancements will ensure that officers are more effectively equipped to serve and protect the community with greater efficiency.

As hosts, the Police Welfare Association of Saint Vincent and the Grenadines is proud to facilitate this important gathering, which reflects our commitment to the principles of unity and collective progress in law enforcement throughout the Caribbean.

We cordially invite members of the press to attend and cover this event. Your participation will be crucial in documenting the discussions and outcomes that will shape the future of policing in the Caribbean. For further information please contact the Police Welfare Association at telephone number 1784-457-1211 ext. 4808.
