Constable Jacobs passed away on March 11, 2025, in the United Kingdom. His death has brought deep sorrow to the RSVGPF and all who knew him. For over seventeen years, he served with honour, humility and strength. As we prepare to lay him to rest, we do so with gratitude, for his service, his example, and his commitment to duty. The loss is profound, but so too is the legacy he leaves behind.

We invite the public and members of the policing fraternity to join us as we pay final respects to one of our own. May his soul rest in peace.
