

ROYAL ST. VINCENT AND THE GRENADINES POLICE FORCE

Official Statement from the Commissioner of Police

The Royal St. Vincent and the Grenadines Police Force has taken note of concerns circulating on social media regarding the conduct of one of our officers. As an organization built on principles of fairness, discipline, and accountability, we find such allegations deeply troubling and will ensure that the matter is thoroughly examined and addressed with the seriousness it warrants.

As an institution entrusted with upholding the law and serving the public with integrity, we recognize the concerns that have arisen. We want to assure the general public that any action which undermines public confidence or the integrity of the Police Force will be addressed in accordance with our established protocols. The law must never be used as a tool for personal grievances, and any conduct falling short of our professional standards will not be condoned.

We extend our sincere apologies to those who may have been affected by this situation and to the wider public, who expect and deserve the highest level of conduct from their police officers. We remain steadfast in strengthening our relationship with the public, ensuring that every citizen resident and visitor is treated with fairness, respect, and impartiality.

The Royal St. Vincent and the Grenadines Police Force will not waver in its duty to uphold justice and maintain public trust. Appropriate steps will be taken to ensure that officers do their job properly and take responsibility for their actions. The public can be assured that accountability will always be upheld, and we will not allow the actions of any individual to erode the confidence that the people of St. Vincent and the Grenadines have placed in us.
